1. Apologies for absence -
Cllrs Lloyd and Robinson gave their apologies prior to the meeting and were duly accepted.

The meeting was unable to go ahead due to not being quorate. However David Bridges provided an update:

Public Participation -

David Bridges gave the members an update on Wild About Warnham. He confirms that Wild Bunch are now up and running and very active. They are the volunteers formed through Wild About Warnham. DB would like to increase the surveying round the parish and is coordinating communications with landowners to help develop Pollinating Highway's throughout the parish and is in talks with a contractor who can supply digital mapping. WPC and WAW are still in talks with WSCC in relation to the adoption of the verges which have been identified as potential for WPC to adopt. DB is still involved with the School's Eco System Council and will be helping to assist in the distribution of wild seeds to pupils and parents. 14 boxes have been installed within the Parish for the Swifts thanks to the grants received. DB mentioned that he is in need of a cherry picker to help with installing the rest. Suggestions were made for a post to go on Next Door and Warnham Village Facebook page.
